

# NTTG PLANNING COMMITTEE

### PHONE AND WEB CONFERENCE

The NTTG common power flow base case has been created and production simulations for the NTTG approved "fast track" or "sponsored projects" are in process. Stakeholder feedback, modification and acceptance of this model are sought at this time.

This meeting will provide an update on the modeling of:

- NTTG transmission projects
- WECC Phase 2 transmission projects; and
- Generation resources

### SAVE THE DATE:

MONDAY, OCTOBER 22<sup>ND</sup> 12:00 - 1:30 MDT

## Phone Conference Access:

• Phone Number: (303) 346-9752, toll free number (866) 427-0083

• Meeting Room Number: \*5458467\*

### Web Conference Access:
