

**Joint Initiative  
Think Tank September Meeting**

NTTG Stakeholders and Interested Parties:

Hello -

Earlier in the month a notice was sent out requesting that parties respond with their availability to participate in a Joint Initiative Think Tank Meeting during September. Based on the responses received, it looks like **MONDAY, SEPTEMBER 27th** is our best bet. Please place a calendar hold on that date. The meeting is scheduled to be held in Portland, Oregon from 10:00 a.m. (PPT) to approximately 4:00 p.m. (PPT) An agenda with further details on the location will be distributed as the particulars are finalized. For parties who cannot join us in person, phone and web conference facilities will also be made available.

Great progress is being made in the Joint Initiative activities, and we look forward to updating you on the status of the current initiatives (Dynamic Scheduling, Intra-hour business practices and the T-TAP/webExchange product). In addition the time is ripe to poll parties to see whether there is interest in taking up additional work under the Joint Initiative umbrella. Please come prepared with your thoughts and suggestions.

We look forward to seeing you in September! Thank you,

Sharon Helms, Kristi Wallis and Charlie Reinhold Joint Initiative Facilitators
