RE: Idaho Power Company Sponsored Transmission Projects in the Northern Tier Transmission Group Footprint

- Gateway West
- Hemingway-Boardman
- Southwest Intertie Project (SWIP) North

Dear Lisa:

We anxiously await your response to our initial request for information on the transmission projects included in the Northern Tier Transmission Group (NTTG) planning process. Please respond **by October 15, 2008**.

In order to keep our cost allocation assessment current, we are also requesting that you submit quarterly updates on the progress of your projects. These updates should include any changes to the items previously provided and any new project developments. Please submit the first such update to me **by January 15, 2009**.

We appreciate your cooperation. If you have any questions, please contact me.

Sincerely,

Lou Ann Westerfield, Cost Allocation Committee Chair
