

MEETING NOTICE

The Northern Tier Transmission Group will conduct a public stakeholder meeting in Salt Lake City, Utah on Wednesday, May 23, 2007. This meeting has been scheduled to provide a venue for final stakeholder input on Northern Tier's Straw Proposal for compliance with each of the nine planning principles required by Order 890, present the results of NTTG's short term planning assessment report and launch a regional planning process for any identified fast track projects. This will be an interactive workshop and attendees will be encouraged to participate by offering comments, as well as asking and answering questions relative to their needs and requirements. The meeting details and agenda follow.
